Personal Assistant

Available now

Your always-on personal assistant — calendar, research, and a daily briefing, right in your chat.

In plain terms: Think of Nader as a full-time executive assistant who lives in your WhatsApp or Telegram. You chat, he does the work — 24 hours a day.

WHAT NADER DOES

- Runs your calendar — books, moves, and reminds you of meetings.
- Sends a daily morning briefing: your schedule, key emails, and to-dos.
- Researches anything and gives you a short, clear summary.
- Drafts emails and messages in your own voice.
- Tracks tasks and follows up so nothing slips through the cracks.

SEE NADER IN ACTION

YOU
What's my day look like?

NADER

Good morning 🌞 Three things today: 9:30 investor sync (agenda ready), 2:00 PM design review, and Dr. Sara's clinic at 6. Your afternoon is otherwise clear.

YOU
Move my 2pm to tomorrow and prep notes.

NADER

Done ✅ Moved to tomorrow 2:00 PM and everyone's notified. I drafted a 4-point agenda inside the invite.

MEMORY & LEARNING — THE BIG DIFFERENCE

- **Long-term memory** — remembers your customers, past chats, and preferences, so it never asks the same thing twice.
- **Gets smarter over time** — built on machine learning and trained on your data; it spots patterns and improves with every correction.

✗ Playing calendar Tetris to find a slot everyone can make.

✓ Say “find 30 min with the team next week” — Nader checks every Google Calendar and books it.

✗ Ten browser tabs open to make one decision.

✓ “Compare 3 POS systems for a 2-branch café” → one clear answer with prices and a pick.

✗ Scrolling 60 unread emails to find what matters.

✓ A 3-line morning briefing from Gmail: what's urgent, what's replied, what can wait.

✗ Trying to remember who you owe a reply to.

✓ Nader tracks every promise and nudges you — or them — before it slips.
